

URBAN RECOVERY

A First Person, Action/Adventure game in which the player must use their skills to navigate their way through alleyways of the city, survive the cold of the winter night, avoid attacks from the local gang, and save their close friend from the clutches of the gang lord.

Plot Summary

- A close friend, caught up in some shady business, has gotten himself captured by the local gang. It is your job to rescue him by navigating your way to the gang's hideout through the alleys while being cautious to survive both the winter cold and attacks from the gang.

Mechanics:

- Crouch to hide behind objects
- Pick up and throw objects to distract or hit enemies

Game Information:

- Genre: Action/Adventure
- Target Audience: Teen to Young Adult gamers
- Audience Type: Explorers
- Platform: PC

Avoid the Cold

Stay near the trash fires to avoid losing damage to the cold.

Find Your Own Way

Navigate your way through the alleyways of a large city

Stealth vs Force

Choose whether to avoid the enemies or take them down with force
